Practice makes perfect. A trial session is essential - communication between you and your stylist is key to your satisfaction

When you come in for your practice appointment, please bring any hairpieces you may have or are thinking of wearing

If you are having flowers put in your hair, please provide them and bring extra

Please DO NOT wash your hair the morning/day of your appointment (curls/up-do's hold better with unwashed hair)

Please wear a button-up blouse

We serve juices, sparkling water, an assortment of fruit and pastries  
champagne, additional refreshments available upon request
